### Celebrating A Summer Well Spent

S.T.Arts and supporters come together for a showcase and gala.

On Thursday, August 11 we celebrated a summer well spent with music, dance and drill performances by our S.T.Arts, a S.T.Artist art gallery, and awards ceremony.

S.T.Arts showed off the skills they have been working on all summer to the delight of their families, friends, and Scholastic supporters.

These experiences build self-confidence and show the benefits of practice, both traits that translate into social and academic aptitude.

Scholastic founder and S.T.Arts director Dwayne Bass encouraged our S.T.Arts to continue to shine in his address to the audience. In fact, we are already gearing for more exciting out-of-school programs and we hope to see some familiar faces. Space will be limited so early registration is highly recommended! Follow our website and social media for updates.

And to our S.T.Arts: Keep in touch, stay creative and KEEP SHINING!!

# A TIME TO REMEMBER >>>

*Creating Art, Friendships, and Memories*

*S.T.Artists create art, friendships, and memories.*

This summer, our S.T.Artists created a lot of beautiful art—on fabric and on canvasses; with their hands, feet and mouths.

Best of all, they also created friendships and great memories. Thanks to our staff and S.T.Artists for a summer of great adventures! We hope to see you again soon!
